Billing - billing rates for work during the week are based nominal 7.00 – 19.00 a day. Occasional Saturday and Sunday work will be billed according to the rates which apply at weekends. However, prolonged week or weekend overtime such as holidays will be billed at the rates which apply in this document.

Payment – Billing is normally on a 1x basis (100%) with invoice terms immediate no deductions. All payments should be made by electronic funds transfer/wire or cash to HCN's Hamburg, german bank address. The bank routing information will appear on all HCN documents (bills/receipts). Exceptional agreements shall apply written unless not otherwise stated. Billing for webpage- or software development is based on 60/40 agreement.

Price calculation
